### **Match Reports – 19th May 2007**

#### **U6O Hurricanes (2) vs. Carlingford Uniting (2)**

It was a challenging game for both players and parents this week, as it was a very close game and concluded with a 2 all draw. All players gave it their best. Great improvement from all, especially Flynnne and Goal Keeper for the game Justin. Adrian scored both goals. Our player of the week was Justin. Thanks coaches and parents.

#### **U6L Falcons (6) def. OLOR/St Angela's (3)**

What a great game! The team played really well this week, the opposition tested them a number of times during the game, but with great work by the keepers we kept them to 3 goals. Alex and Joseph shared the keeping duties for the game with 3 saves for Alex and 2 for Joseph. The stars this week on offence were Christopher with 3 goals, Tino with 2 goals and Joseph with 1 goal. The player of the match this week was Joseph and the Encouragement awards went to Alex and Tino. Keep up the great work guys and girls.

#### **U6Q Monkeys (7) def. Carlingford Uniting (0)**

Once again the Monkeys showed how great their soccer skills are developing by defeating Carlingford Uniting 7 - 0. A special mention for our scorers Katarina, Settimia, Jarred and Jayden. Player of the match was awarded to Jayden. As a team the Monkeys are playing extremely well and making their coach very proud. WELL DONE MONKEYS!!!

#### **U6P Penguins (0) def. by OLOR/St Angela's (8)**

The penguins met their match this week, ending a winning streak. St Angelas were a very strong team but to our credit everyone tried their best and didn't give up. There weren't many chances to attack during the game, but there was a big team effort with scrambling defence. I am very proud of everyone playing with their heads held high. Player of the match was Liam who tried hard in goals in the first half and never gave up chasing in the second half. Enjoy the rest this week penguins.

#### **U8Q Eagles (4) def. Guildford McCredie (0)**

An exciting game dominated by the eagles. Adrian scored a lone goal, from a break made at the halfway. A few more breaks were well defended by the Guildford goalie. Liam did a great job defending against the strongest player on the Guildford team. Adrian and James teamed up extremely well as strikers and ended up with two goals each. Adrian was POM, and Giorgio got the encouragement award.

#### **U8P Redbacks (6) def. St Michaels (0)**

The Redbacks were on fire today with an early goal paving the way for a great win. Our 1<sup>st</sup> half defence was rock solid with no shots on goal. Desperate tackles marked the 2<sup>nd</sup> half at times but we able to very quickly turn defence into attack with great team passing. Everyone had a part to play and the goals were spread with James (2), and one each to Nathan, Dillion, Luke and Jason B. Goalies were Kieren and James. POM James. Keep up the great teamwork.

#### **U9Q OLQP Falcons (1) def. by Carlingford Uniting (4)**

A hard fought battle, we started with only 10 players on the field, conceded 2 very early goals and couldn't settle down quick enough. When we did settle down, we clawed back to a 2-1 score line early in the second half but couldn't hold on finally going down 4-1 on a neutral turf due to last minute venue change. Despite having no reserves the team did a great job under the captaincy of Dylan Permuul who displayed moments on brilliance as a stand in goal keeper. The defence consisting of Celine, Joshua and Brad did well to keep the attackers at bay coming up with some good clearing kicks. The mid fielders Dylan Prasad, Zac, Thomas and Isabella worked very hard providing good linkage between the defence and attack considering it was a relatively warm autumn day. Alex was the star in the strike force scoring the only goal while being well supported by hard working Aaron and Nicolas.

Isabella earned the POM award while Aaron and Thomas were awarded EA. If we keep knocking the ball around well and develop better positional play, there is no reason why we cannot notch the elusive win really very soon.

From the sidelines, Sujit Prasad (proud dad).

#### **U10 Hurricanes (2) vs. Guildford McCredie (2)**

We started like a house on fire in the opening 10 minutes running away to a 2 nil lead. But then we let them off the hook! We lost our shape in mid field for the second game running and even more disappointing was the lack of team work particularly in the forwards were time after time instead of passing to a player in the open or taking a shot we tried to walk our way into the goals.

All the hard work we put in early came to nothing. They scored two goals both from long balls which early on we dealt with easily. Concentration for the full game is required as McCredie to be honest were under so much pressure from us early on I honestly thought we'd stick another 4 or 5 goals on them. Both goals were scored by Jake who had a great game; POM went to Dylan and the encouragement award to Cameron.

### **U11 Cobras (0) def. by Wentworthville Uniting (2)**

Not a very good start to the game as we let in two goals in the first 15mins but after that, the game was very exciting. Although we didn't win, we did some excellent ball skills, brilliant defense and great attempts at goal. Chander was in goal for the first half and did a great job in keeping out a lot of balls and Eric was in goal in the second half and did an amazing job keeping all goals out, so well done Eric. POM went to David and EA went to Eric.

### **U12 Falcons (0) def. by Guildford McCredie (3)**

The first half was great. The guys were passing, calling and creating some opportunities up the right side from the forwards and mid-fielders, with

several misses. There was also some scrambling defensive efforts from our backs to save a few as well as saves from Ruben, the goalkeeper.

In the second half the opposition used the wind to their advantage, and the guys were a little fatigued. They scored two quick goals and the third came later. We did have a couple of opportunities in the second half but ball security was an issue.

Overall an "OK" result, but a game that should have been a draw if they'd played as hard as they did in the first half. The guys will but it down to match experience and hopefully improve from here for the remaining rounds. Encouragement award given to Sami and Danyon ; MOM to Ruben.

### **U8Q Eagles (0) vs. Wentworthville Uniting (0)**

The best game of football this team has played this year. With no reserves, the Eagles successfully held out a very strong undefeated Wenty team. The majority of the first period was played in their half with multiple attempts at goal. Any break was quickly swamped by very strong defence. Adam

had a goal disallowed off an indirect free kick (we'll learn from that!). Tony had a strong game in goal. Adam was named player of the match and two encouragement awards to James and Jeremy.
