### Message From The President

The notes from the committee meeting on Monday 4<sup>th</sup> June that was attended by team coaches and managers will be posted separately on the website.

### Team Photos on Website

We have received digital copies of all the team pictures that were taken. It has been put forward that we could place these on our website minus any names of children, coaches and managers. We would like feedback from parents and players with any objections or concerns about this. This feedback can be given to team coaches or managers who can then pass this on to Mark.

#### **U6O Hurricanes (0) vs. U6L Falcons (0)**

WHAT A GAME!!!! So close yet so far, as they say!!!! It was a Nil All draw, but did these guys give it their best or What!!!! Excellent goal keeping skills from Nicola. Brilliant field work from all players especially Justin, Sam and Lucas. Damien, Serena and Adrian did their to score also but the defence was as good as ours. Our player of the week was Sam Taylor. Thanks Coaches and parents for the support.

#### **U6L Falcons (0) vs. U6O Hurricanes (0)**

It's true what they say the close games are always the best. Our hats off to the other falcons team who played a great game. You can't ask for a better result when two home teams match up. This week saw an excellent effort by Joseph who played a full game in the goals for the first time, he made some amazing saves that kept the score at nil all. Nikola lifted in this game to play an excellent defensive role for the team, it seemed he was getting back every time the other team made a break, good job. The whole team seemed to rise to the challenge and play a great game. Player of the match this week went to Harrison.

#### **U6Q Monkeys (3) vs. Rouse Hill (3)**

The Monkeys had a challenging game on Saturday against Rouse Hill. Both teams were equally as good as eachother which proved to be a very entertaining game. Jayden was excellent today as our top goal scorer with two goals and Katarina scoring one goal adding to our total of three goals drawing with Rouse Hill's three goals. A significant improvement is being seen in all the team especially Gabriela and Settimia who are getting more involved in the game. Settimia was awarded player of the match. Hope everyone enjoys the long weekend. GO THE MONKEYS!!!

#### **U6 Penguins (3) def St Bernadette's (1)**

The Penguins were back in the winners circle this week with a great performance. A very tight game that could have gone either way except for some fantastic work in goals by Jordan and especially Ethan in the second half. Some excellent defensive work by John and Harrison who stopped a lot of the opposition's attacks. They also had great support from Blake and Lachlan. Goals scorers were Matthew and Liam. Player of the match this week was Sophie who was everywhere in attack and defence. Well done Penguins!

#### **U8 Eagles (1) def. St Michaels Dragons (0)**

The Crestwood field 3 is a rough pitch, but home ground advantage was not enough for the Dragons. Our attack was strong with midfielders feeding the ball nicely to the front. Despite most of the game being played in front of the St. Michaels goal, we were unable to capitalise. Adrian managed to slip one ball past their keeper for our lone goal. David played a strong attacking game, probably his best of the season. Raymond was player of the match, with Liam and James taking the encouragement awards.

#### **U8 Redbacks (5) def. St Michaels Bobcats**

After a week off, the Redbacks were ready to pounce and they did. All the team had a great game, showing teamwork, strong defence and enthusiastic chasing. Christian and Dillion in goals were hardly troubled as the defenders did their job by tackling hard and scrambling to keep the opposition away from a scoring opportunity.

The midfield were able to quickly turn defence into attack with fine runs and solid passing making the difference.

The attack played well, with plenty of chasing through passes, big kicks into the goal zone with 5 goals as the reward. Goals to Daniel (2) Luke (2) and Dillion (1) with many other shots saved or just wide. POM Daniel, and encouragement awards to Matthew, Christian and Jason B.

Keep up the teamwork Redbacks!!!!

### **U9Q Falcons (0) vs. Guildford McCredie (0)**

With only 9 players and again no reserves, the Falcons faced an opposition who were looking forward to a goal scoring feast. I'm sure we greatly disappointed them. In what proved to be a very physical encounter, our side, for the second week in a row displayed determination, courage and grit to hold the opposing side to a nil all draw. Our back 3, Ciara, Brad and Celine set the defensive tone that frustrated the opposition and their constant raids into our penalty box. Our midfield, Dylan Permual, Thomas and Zac chased everything down with a never say die attitude. Our strikers up front, Aaron Nicolas and Alex, although not presented with many chances, put in fantastic performances to be able to get within striking distance of the oppositions goal and also helping out defensively. The POM went to our midfield terrier Dylan Permual, while the achievement awards went to a very well deserved Alex and Thomas. Well done guys. Fantastic effort.

Extremely Proud Coach

### **U10 Hurricanes - Bye**

### **U11 Cobras (0) def. by Guildford McCredie (3)**

The game was very fast with lots of great ball skills and attempts at goal. We had some wonderful moments where David kicked for goal two times

in the last 15mins but unfortunately, they did go in but, well done David in getting the ball up that end, it was very exciting to watch. We must remember to hold our positions and to look for our team mates before we pass the ball. But apart from that, keep trying and keep up the great work Cobras. POM went to Joshua Headrick and EA went to Gabrielle McDonnell

### **U12 OLQP Jets (0) def. by St Michaels Demons (4)**

It was a lovely sunny Saturday morning when the Jets played against St Michaels with Jarrod defending well in first 5 minutes of game and Ruben keeping the ball out of goals. Good defense by Justin and another good save by Ruben. All the boys are defending well. Alex did a lot of running up the side also. 2nd half showed more defending against a very strong team, which proved that our boys are doing a great all round job. All of the boys gave it their best shot. It was great to watch. MOM went to Jarrod, Encouragement Awards went to Ruben and Patrick. Well deserved boys.
