Match Reports –30th June 2007

U9Q Falcons (0) def. by OLOR/St Angela's (1)

It was a challenging game today with the Falcons putting in a good effort but not good enough with OLOR taking the win. I think everyone tried hard but over the last couple of games you all have been playing as a team & it seemed today you were all playing as individuals. Lets get back what you all had the last couple of games & work as a team. Congratulations to Dean Pillon who got POM & the encouragement awards went to Brad Hilton & Dylan Prasad.

U10 Hurricanes (7) def. Carlingford (0)

Well it looks like we got our Mojo back baby!

After being in a form slump for the last three games we certainly came back with a bang. We controlled the game from start to finish and didn't relax at all through the game. The fact Carlingford stacked their defense in the second half was a compliment to our attack after being up 5 – 0 at half time. Neither of our goalies Adrianna or Ben touched the ball so good was our defense. We missed some goal scoring chances in both halves but the pleasing thing was our passing game and communication. Goals were scored by Damien 3, Tim 2, Jake and Pat one each. POM went to Andrew and the encouragement award to Sean. Well done guys!

U11 Cobras (2) def. St Bernadette's (0)

What an amazing game on Saturday. You all played a fantastic with lots of team work, effort and ball skills. You deserved that win, and all the parents were so happy to see you get it. Our first brilliant goal was scored by Daniel after a perfect pass from Joshua and our second was scored by Lachlan, although it was a bit messy, it was a well deserved goal. As a team you all played excellent. David was everywhere playing his heart out and Matthew and Eric played fantastic in goals saving many goals. Jordan, Bradley, Jesse were fantastic in defense and Marc, Cameron, and Chander did a great job, passing and getting to ball up the field with great kicks. POM went to Cameron and EA went to Jesse. Well done boys and well done team.

PS: and just a short mention, Congratulations Cobras for your first win in the knockout against St Michaels. After we went into extra time, Marc scored the goal that won us the game. Well done Marc, what a great goal.

U12 Falcons (2) def. St. Michaels (1)

Our boys were simply outstanding.

Coach Slammin' Sam was away and so 2IC Richard took control of the boys. Like John Howard's Speech Writer, he pumped the boys up and by the time they took the field against St Michael's, all thought that they were Kewell or Viduka. The first half was a dire affair with neither side giving an inch. Our midfield and backs were sensational and, as it happens, St Michael's scored a blatantly offside goal to lead 1-0. Undeterred, the boys kept attacking and were all over the opposition 'like a cheap suit'. With the continued pressure Connor came alight and levelled the score 1-1.

Halftime came and Richard again pumped the boys up for a 'do or die' effort in the second half and the players didn't let him down. Attacking raid after raid saw the Falcons finally get another goal with a great kick from Connor. The players then held on grimly to chalk up a tremendous and well deserved win 2-1. Each player earned MOM but special mention goes to Bilal who took out the award with his powerful kicking. Ben was safe as goalie as was Sammy who traded places with him for the second half. The midfielders and strikers were absolute legends with Jarrod, Liam, Justin, Anthony and Patrick all contributing to a fantastic spectacle. Gabriel, Alex and Danyon were awesome in defence and Chris as usual was as steadfast as the Pasha Bulka. The proud parents clapped the boys from the field and there were hugs and high fives everywhere well after the game. Keep up the great work boys, more to come.

By Peter, Danyon's dad.

Guildford attack under control. Jeremy and Giorgio were awarded the encouragement awards for their strong showing during the match. Cheers,
