#### **U6O Hurricanes (7) def. Carlingford Uniting (1)**

A tremendous effort from the Hurricanes this week defeating Carlingford 7 - 1. Considering that most of the team fronted up coughing and sneezing it was great to see the true sportsmanship and determination they had. Adrian scored 4 goals and Damien scored 3 goals Our player of the week was Damien not just for goal scoring but great field work. Well Done Hurricanes, Thank you coaches and parents.

#### **U6P Penguins (2) def. by OLOR/St Angela's (8)**

The opposition were too good for the Penguins but the score does not reflect how tight the game was and how well we played. We kept trying and never gave up, with lots of scrambling defence from Sophie, Blake and Ethan. John made some good clearing kicks to get us out of trouble, along with some good runs from Matthew. Jordan and Lachlan did a good job in goals, saving some good shots. Liam scored 2 goals in the second half. Player of the match was Harrison who had his best game of the year. Encouragement awards for Liam and Lachlan. Very proud of all of the Penguins!!!

#### **U7P Falcons (1) def. by Blacktown Reformed Church (2)**

The Under 7P Falcons played an exciting game on Saturday. Ben McDonnell scored the goal, and we were leading at half time. Blacktown rallied in the second half scoring two goals to defeat us. Jordan made an improved contribution, and Monique chased the ball so hard until she had a stitch. The whole team tried hard but was beaten in the final minutes of the match.

#### **U8 Eagles (1) def. Guildford McCredie (0)**

Guildford started the game a player short, and the pressure was right on for them. Fortunately for them, another player arrived before the Eagles could capitalise on the weakness. Jeremy made a great break from half way to score a solid goal. The Guildford goalkeeper was provided with a workout throughout the match from our great striker team work. Kudos to him for keeping the score as close as it ended up. Liam was awarded player of the match - continuing his strong defensive role, and bouncing back after recent illness. Encouragement awards were given to Thomas and Riley. Well done Eagles!

#### **U8 Redbacks (1) def. Lidcombe Churches (0)**

The Redbacks started strongly with a number of early chances with no success. At the other end Lucas in goals only had to face one or two attacking runs with no real shot on goal made. Lidcombe concentrated their

efforts in the middle of the field while we played in attack and defence very strongly.. The second half saw Nathan in goals not troubled at all except by the cold wind! At the end it was a close match, with Luke scoring the only goal. The passing skills learnt at training are improving every week and are a pleasure to watch. Great effort Redbacks. POM to Jason S. Awards to Kristian, Dillion, Samuel and James.

#### **U9Q Falcons (0) def. by St Michael's Warriors (3)**

Well done everyone it was a hard game.

Everyone played a tough game none tougher than Brad, who took a ball to the guts and a kick to the knee, his' really toughened up this year. Congratulations to Thomas and Zac who shared goal keeping duties both did some great last minute saves. Celine and Ciara played second half up front and played really well. Josh had his normal strong game as full back tackling every thing that moved. Dylan Perumal had a solid game never giving up. Isabella, Nicolas and Dylan Prasad ran their legs off tirelessly. Aaron and Alex moved up their duties playing up front 1st half and full back 2nd half where they restricted the other team to one goal in the 2nd half. MOM Dylan Prasad. Achievement Awards Zac and Dylan Perumal

#### **U10Q Hurricanes (5) def. St Michaels (0)**

Another outstanding game by the boys who are now considered lethal weapons.

The 5 - 0 score line wasn't a true indication of the game as we missed so many chances to score I lost count. If we get everything together I dread the thought of how many goals we are capable of scoring.

We supported each other extremely well throughout and our communication gets better week by week.

Goals were scored by Jake Mamone 1, Damien Fitton 2 and Tim Chow 2. Dillon Giacoppo won the match Trophy for some great defense when needed and Peter tarros who was everywhere in attack except on the score board got the encouragement award.

So bring on the undefeated Rouse Hill....it's time for revenge!

### **U6L Falcons (13) def. Newington Gunners (1)**

What a great game! There were goals a plenty. Newington played a brave game but our guys were just so strong on the day. 13 goals in all, Tino and Harrison got 4 goals a piece, Nikola got 2 goals and 1 goal for Jayden and Joseph. Great result guys.

### **U7Q The Incredibles (5) def. Newington Gunners (0)**

An excellent result from the Incredibles 5-0. Ultimately we were always a winning team as was the last time we played against them. We saw great defence by Patrick and Cormac and goals were scored by Jayden and Patrick. Man of the match went to our new player Manu who has had fantastic games in view of not having many training days and games due to the wet weather.

Congratulations to all the boys. Well Done.

### **U8 Eagles (3) def. Wentworthville Uniting (0)**

An exceptional game of football between the two teams at the top of the table. The Eagles were able to dominate the Wentworthville team, who before this match had only allowed two goals to be scored against them in the season. The boys were able to run in three goals during the match, each one a great piece of team work, with the opposition under extreme pressure (In other words everyone was crowded around the goal mouth so I might have my details wrong :)). Our three goal scorers were David, Jeremy and Raymond (congratulations to David and Jeremy on their first goals of the year). Adam was awarded player of the match for fantastic team work, and his involvement in all three goals. Encouragement awards were given to Adrian and Liam.

### **U8 Redbacks (4) def. St Angela's (0)**

Against an under strength opposition who were very strong, the Redbacks snuck a goal just before half time via James. Many players had scoring opportunities but St. Angela's played with great energy and nearly scored several times themselves. Our defence held them out with Dillion in goals who was assisted by Daniel, Samuel, Luke, on several occasions. The 2<sup>nd</sup> half was a different story as Kieren in goals (2<sup>nd</sup> half) didn't need to touch

the ball and we were able to add 3 more to our tally. Scorers were Dillion, Luke (a penalty shot) and Lachlan after a through pass from Sam. Much improved tackling from Christian and Kieren in the midfield. The passing skills of all players are improving.

Great team effort Redbacks!

POM Jason B. Awards to Nathan, Celeste, Kieren & Daniel.

### **U12 Jets (0) def. by Wentworthville Uniting(1)**

Our boys were pumped up by Coach 'Slammin Sam' and his right-hand man, 'Tom Selleck' John to take it to Wentworthville Uniting team (running third) and give an all out effort.

Boy, was the first half was like a table tennis match, back and forward, up and down, in and out, to and fro. The attackers attacked, the midfielders midfielded and the defenders defended (you get the picture). There was no other way to describe it.

Up front the boys were sharp and were a bit unlucky not to score on a number of occasions. That last pass let them down again. Conor, Patrick, Anthony, Justin and Sammy were all excellent. The midfield were like yo-yos' they were up and down battling to hold off a determined Went attack. Gabriel, Bilal, Liam and Ben were simply awesome. The defence with Alex, Danyon and Chris were also dynamic and stopped many a Wenty goal raid.

At halftime the score was 0-0 and impassioned speeches from 'Tom Selleck' and 'Slammin' seemed to mesmerise and galvanise the boys and make them even more determined, if that was possible, for the following half.

The second half was also a dour affair with the table tennis syndrome coming back into play. Finally Wenty broke the deadlock and scored a difficult goal, which the ever present and athletic Ruben was just unable to get to. The boys then found another gear and they raided the opposition's half, time and time again, however the score remained 1-0 to Wenty as the Referee blew the whistle to end the match.

The boys gave their all again and what they lack in a few skills, more than make up with heart and determination. A well deserved MOM to Sammy.

By Peter, Danyon's dad.

### **U6P Penguins (5) def. Rouse Hill (0)**

Another great effort from the Penguins this week. Two goals each from Matthew and Liam and one from Ethan. Sophie had her best game of the year and was ably supported in defence by Harrison. Jordan and Blake also had great games with both coming very close to scoring. A great save by

John in the 2<sup>nd</sup> half kept the opposition scoreless. Player of the match was Matthew. Encouragement awards to Sophie and Jordan. We are all looking forward to the return of Lachlan who has been unwell for the last few weeks.
