O.L.Q.P. FALCONS

Soccer Club

Message from U70 Hurricanes:

Please congratulate OLQP Soccer club for the way they are running the club and how it is honorable to see that the coaches and parents of the club encourage their children to first have FUN in the game and later worry about the winner or loser.

Match Reports – 10th May 2008

U6C Tigers (1) def. by Wentworthville United (2)

After their first win of the season last week, the Tigers started this match on a high with Josh and Hayden applying the pressure soon after the kick off. After a number of close missed opportunities by Chiara, Hayden, Robert and Theo, it came down to Josh scoring the only goal of the first half. The team attacked and defended really well in the first half with Daniel making a number of first grade saves as the Goal Keeper. In the second half, Chiara, Josh and Theo continued their brilliant 1st half performance with 2 to 3 close missed attempts to score. The defence in the second half let the team down allowing the other team to score twice. Joel, Aaron and Daniel played well and everyone has started to work better as a team and pass the ball to each other. Robert kept well as the Keeper but Josh had another blinder and narrowly missing a number of attempts at scoring. The team is coming together, and winning again is just around the corner.

U6M Ninjas (8) def. U6R Falcons (1)

It was a “clash of the Falcons” this week with the Ninjas bouncing back to their good form. This week we saw a very strong team effort and the boys showed they can actually pass the ball to one another and create goal scoring chances. Our goal keepers were James and Massimo, who both displayed tremendous skill. Jacob, Adrian and Joseph showed exceptional mid-field attacks, whilst Nicholas S pounded 2 great goals to make them his first 2 goals of the year – well done Nicholas S!! Nicholas B could not stop running, as usual, and had the hunger to bag 6 goals!! Congratulations to the entire team as you have come a long way since the beginning and this is due to our great coaching team! Man of the Match went to Jacob for his hard work and persistence. Finally, I would like to thank all the parents for their support and cheer-leading skills!! Also, we must mention a great effort from all the kids in 6R who tried their hardest through the entire game and showed great sportsmanship!

U6R Falcons (1) def. by U6M Ninjas (8)

U6R's played a good game against a more experienced U6M's. R's only goal came from a good run by Anaya Anapu. Good attacking runs from Jeremy Cassar, Paul Galouzis, and Joseph Cozzupoli with some strong in goal work from Michael Evans & Hunter Morgan. Excellent defence by Jade Hearne turned away a number of goals.

U70 Hurricanes (6) def. St Michaels Tigers(1)

It was a tremendous game played by the Hurricanes defeating St Michaels 6 -1. It was all hands on deck, as we had no reserves this week. A great effort and brilliant team work from Tony, Adrian, Damien, Sam, Flynnne and Goal keeper Serena. Goals scored by Adrian 4 and Damien 2. It was a difficult decision made for POM so we awarded a double to Flynnne and Sam this week. Thanks coaches and parents.

U7L Falcons (3) def. Newington Gunners (1)

The team played well this week and game away with the win. Christian and Jacob shared the keeping duties in the game and did well to keep the Gunners to only one goal. The goals this week were spread between Nikola, Christian and Jayden, with Jayden getting player of the match this week.

U8Q Thunderbirds (2) def. St Michaels Scorpions (1)

It was a sunny day and the boys were determined to show team spirit and enjoy the day. The boys defense was tight in the first half and attack was even stronger. They were having a great time with a few almost goals in the first half. In the second half Matthew Noney brought home our first goal with tremendous effort. Then not too long after that extreme teamwork was in place and between Matthew N and Luke S saw Luke Salopec drive home another goal for the team. Overall the team played extremely well and they all deserve a big pat on the back especially our player of the match Jake Testa. Great Game Boys.

U8P The Incredibles (1) vs. St Michael's (1)

The OLQP U8 Incredibles played a great game of soccer, making St Michael's goatee work hard to stop our shots at goals. We had a lot of possession of the ball and were in our half for most of the game. Jayden Galea was man of the match for his constant involvement in the game and his skill with the ball. St Michael's scored in the first half and we only leveled the score in the last five minutes of play. Well done to Patrick Ellias, who took a penalty free kick to achieve our goal.

U9P Gladiators (2) def. St Bernadettes Tigers (1)

This was our closest game of the season with plenty of exciting runs, tackles and goals scored and saved. All the players were busy with plenty of attacking runs from both sides. Kristian and James were very involved, tackling over and over assisted by Nathan, Matthew, Daniel and Christian who had a goal disallowed as well. In defence, Cooper, Dominic and Sam tackled and cleared well assisted by Adam (goalie 1st half) in the 2nd half. Kieren was goalie in the 2nd half with a number of saves. Lucas and Dillion teamed up and scored a goal each. POM to James who has been working hard in attack and defence and everywhere in between all season and repeated this again. Well done.

U9Q Eagles (2) def. St Bernadette's (0)

It was a big game for the Eagles today with the clash of two undefeated teams.

The boys stepped up today playing their best game this year. Adrian who was unwell did a great job in goals and looks at natural Goalkeeper.

Our defense held strong with Charlie our player of the match, Jack and Liam breaking down everything the other team tried. Our midfield was strong with Sam playing his best game of the year making numerous attacking raids down the right. Raymond and James showed determination in centre midfield with good back up from David and Tony who did some strong tacking. Dylan and Jeremy have formed a great partnership up front both playing fine games, Dylan scored both goals after some good team work. Our first goal was very special with a good through ball from James to Jeremy who drew two defenders and gave a perfect pass to Dylan to finish with a left footed shot. Thomas had his best game of the year showing great fitness and creativity unveiling a new attacking move to great effect.

Team reports to be emailed no later than **Tuesday** night to: pmelisi@bigpond.net.au Please keep reports brief but do consider all players when writing the report.

Adam who broke his arm during the week showed great team spirit by coming to the game supporting his team mates, we all look forward to seeing him back on the field soon. Well done Eagles.

U10 Falcons (1) def. by St Michaels (2)

What a game, it was a nail biting experience from start to finish!!! The Falcons really played as a united team and gave St Michaels a run for their money. The whole team played fantastically well, we watched Tim come out of no where to save a goal, Alex scored a goal with the help of Aaron who brought the ball from one end of the field to the other, passed the ball to Nicholas who kicked just short of the goal for Alex to kick it in. The defense was second to none, the mid-fielders were like lightning and just seemed to be everywhere and our goalie Jayden played a blinder. M.O.M was Joseph and Celine received the achievement award. Well Done U10 Falcons!!!

U12 Falcons (0) def. by Guildford McCredie (2)

Each and everyone of the boys put in a fantastic effort. In the first half they had to work very hard in defence, with Cameron in goals making some great saves. To keep the score at 1-0 at halftime was a great effort. The second half was no different and everyone really tried their best, with special mention to Sivaa and Justin, who both walked of the field totally exhausted. Eric, who took over the role of goalkeeper in the second half, also did a great job. If we keep on playing like that each week, our next win is not far away. The coaches Man of the Match was Cameron.
