Match Reports – 11th July 2009

U7C Tigers (5) def. by U7L Falcons (7)

This weeks game brought us up against an opposition team with only 3 players.

To make a fun game of it, Daniel, Josh and Harry turned their jerseys inside out and joined the O.L.Q.P. Falcons U7L team.

A match played in good spirit, which saw everybody getting in and having a go as a team.

Chiara, playing in goals and made some good crucial saves. We worked hard and were unlucky not to score.

Hayden and Aaron created great attacking raids, at times, almost scoring. Joel and Giovanni battled courageously but didnt get the break they needed.

Playing against Josh showed us how hard it is to tackle him, resulting in a 0 - 5 half time scoreline.

After getting behind the defence Chiara scored a great goal.

Josh now playing for us, scored 4 goals, showing everybody his impressive dribbling and shooting skills.

Giavana, playing in goals made some great saves, including one hitting him in the face... (ouch).

Sophia, after being a bit ill during the week showed great determination in the defence, along with Harry in the second half.

The score was locked at 5 - 5. The last few minutes saw the opposition get 2 late goals, to finish a game that was enjoyed by all.

The player of the match was Josh. Great job TIGERS.

U8Q Tigers (6) def. def. St Matthews (0)

The Tigers really came together this week as a team and seemed to be adjusting well to not having the coach on the field. Corey made a great save in the first half and has really taken to sharing the keeping duties each week. The Tigers played a great passing game and it transferred to some great goals. The goals this week were shared between 4 players, Giovannina with 1, Nikola with 1, Goran with 2 and Jaydan M with 3. The player of the match this week was Jayden M for his excellent effort on attack. Good job Tigers and a great effort to come away the second win in a row.

U8P Gladiators (1) def. by OLOR/St Angela's White (3)

The Gladiators played a good game this week but were up against a very strong team. We were quite strong in attack at times and everyone tried their hardest throughout the whole game. The opposition scored two goals in the first half and another in the second half. Matthew was our only goal scorer, kicking a great goal in the second half...well done Matthew! The Gladiators should be proud of the effort they put in and the way they played well as a team. Keep up the hard work!

U9Q Thunderbirds (0) def. by U9P Falcons (1)

It was a tough game as we went head to head with our own club. The Thunderbirds dominated the first half with strong defense keeping the ball in our own half. With a number of unsuccessful attempts of goal, the score line remained nil all at half time. The U9Ps got a lucky break and with our back line out of position had a clear run for goal and scored. Totally exhausted, both teams played their hearts out and sadly we experienced our first defeat for the year. Although disappointed, the boys where in good spirits and are looking forward to their next challenge next week.

Well done to Matthew, Luke S and Matty for their great efforts on the front line. Great work by Julian, Spiros and Michael for keeping the ball out of the oppositions half. Also, Jake, Jack, Luke E, Luca and Aaron did a great job at midfield. Thank you Mitchell for your efforts in goals. Congratulations to the whole team on their great attacking skills and playing within the spirit of the game.

Great job Julian on receiving POM. Keep up the good work Thunderbirds.

U10 Gladiators (4) def. OLOR/St Angela's Blue (1)

With only 2 out this week, the team played really well. They listened to Richard's game plans on Friday night at training and remembered to spread out and pass the ball to each other. Nathan scored the first goal in the first 5 minutes thanks to a great pass to the centre from Lucas, who scored a goal on another occasion. Liam played really well up in the forwards and had many shots at goal. Dillion had great practice with his throws and also scored 2 goals. Mathew S, Matthew R and Daniel all played well in the

mids with some big clearing kicks. Cooper and Luca used their big kicks in the backs and Nicholas did a great job in goals, although did not see the ball as much as he has in recent weeks. Dominic and Christian subbed on for Daniel and Mathew S in the first half and played very well. A great effort, let's keep it up for the 2nd half of the season.

U12Q Falcons (4) sef. U11 Falcons (0)

OLQP Falcons(12Q) played OLQP Falcons(11) at Daniel St. Park. An enjoyable game was had by all. We missed the talents of Erce and Dylan , who were both off sick. We hope you are both well again soon. Although we made numerous attempts at goal, many were stopped by the good goalkeeping of our opposition, but we ended up scoring 4 (Sean 1), (Pat 2) and (Luke 1).Cameron and Andrew capably shared goalkeeping duty for our team.Man of the Match was Pat. Final score was 4-0.

U12P Falcons (0) vs. Lidcombe Churches (0)

Such a tight game that we deserved to win, but just couldn't get a goal! To say we dominated play would be an understatement. I think Lidcombe only got 2 opportunities at our goals all game. Our defence was outstanding with Khang, Andrew P & Joshua nullifying any attack that came through. We had our opportunities, but just couldn't convert these into goals. Notwithstanding this, the game was full of excitement & the team played very well. We'll need to take this good form into our next game against the Tigers who are on top of the table!!! With this type of form, they better watch out!
Player of the match was Joshua - he along with the rest of the back line were outstanding throughout the game.
