## CLUB NEWS

### COMMITTEE UPDATE

The season is now well underway. Mixed results this week, but the feed back from the managers is that all our teams are playing well and kids are having fun.

Wednesday, we were fortunate enough to have a defibrillator device donated to the club by the Marc Azuri Foundation. Thank you to those involved in the Foundation as well as the The Royal Life Saving Society. Check your Parramatta Advertiser for the story.

Also a very big thank you to all the parents that help and in particular **Todd Rourke** for his help with getting the signage up.

### SPECTACLES/GLASSES

A reminder to all coaches and managers that players who require spectacles need to use approved sports spectacles such as sports goggles or sports glasses with soft/flexible frames fitted with plastic or polycarbonate lenses.

### CANTEEN

Thank you to the parents of the U7 Blue and U12 Blue teams for manning our canteen and BBQ for the week. Your effort is greatly appreciated. U12 Red and U7 Yellow are rostered on for the canteen next round. Any queries in relation to the canteen roster should be directed at your team manager.

### LEST WE FORGET

God Bless our ADF members past, present and future. It is because of the sacrifices they made and continue to make that we are able to live safely in this great country we call home.

## RESULTS

### Falcons U6 Blue (0) v McCredie U6 Black (6)

- Josephine Mallia

It was great to have our boys play and experience their very first home ground game at Daniel Street Park today. We had another warm day, this time starting at 10.00am and had some tough competition from the Guildford McCredie U6 Black Team. We had Adrian in goals in the 1st half who had a busy time defending our goal with all the support of the players. In the 2nd half, we had Xavier in the goals who made a number of saves. For all the players, it was a tough day, but all showed strong commitment, a drive to keep going and have some fun!

Our Player of the Match was Antoine and even though he had a stitch and a sore stomach, he still kept running and kicking the ball and didn't give up.

Well done boys!

And thank you to each and every parent for supporting our boys and the assistance and support which is provided by you all before, during and after our games, it is very much appreciated.

**GO THE FALCONS!!!**

## Falcons U6 Red (1) v Hills Spirit (2)

- Emma Powney

We headed to Kellyville for our first away game. We had a great start to the game with Dylan Christie making a break dribbling the ball through the oppo-

sition defence. Zoe Powney saved 2 goals and Lucas Harper was a little superstar and nearly scored in the first half. Macey Aiello was our goal keeper in the second half and did a great job saving a goal. Isaac Zaher scored a fantastic goal for our team.

It was our first loss against The Hills at 2-1 but the kids did a fantastic job and had a lot of fun.

Zoe Powney was our player of the match.

## Falcons U7 Yellow (7) v Kings OB (0)

- Karryn Bugeja

Today we won 7-0 against Kings old boys, we were down 3 players in the first half and down 2 in the second half.

The kids have really started to come together as a team and are working with each other to get results on the field.

Our goal scorers for today were;

Thomas Geris (1)

John Bousalim (1)

Kash Matthews (4) and

A big congratulations to the beautiful Lila Alegria for scoring her first ever goal!!

Well done u7 Yellow.

## Falcons U8 Red (1) v WUFC (1)

-Mira Azzi

This week our U8 red team played Wentworthville. The kids really enjoyed this

game, it was a close one and all players done so well. We had Pierre and Richard in the back who's defence was outstanding and Amelia Cassar, who was our captain for the day was dynamite running the field, as a result she was rewarded our man/woman of the match. In the end it was a draw 1-1 with Tony scoring our only goal.

## Falcons U9 Blue (0) v WUFC Gold (1)

- Michael Sharma

U9 Blue had the full team on hand ready and excited to play against WUFC U9 Gold who are the leaders on the board.

There were a lot of great attacking attempts and the team worked together on multiple opportunities to score.

There were relentless attacks on the U9 goal and defence/ goal keeping from the u9 Blue's was fantastic. Although the result was not in our favour, it was great to see the team action what they had picked up during training, support their team mates and put in everything they had to defend and support the goal keeper.

Once again, lots of good lessons learnt from this game and all players looking forward to tidy up and improve for the next game.

The player of the match for the week was Jamey Bulluss.

## Falcons U9 Yellow(3) v WUFC U9 Blue(1)

- George Epenian

The kids had a great game playing away this week.

Man of the match was Michael Gebrael for his great effort in goal keeping.
